**The Family Tree**

Christmas trees in many homes this year will be surrounded by electrical gifts. An electric toaster will save mothers many steps and make crisp, hot toast for breakfast. An electric flatiron likewise will save her time and labor. An electric chafing-dish, for quick, dainty lunches or after-theater suppers, will also prove appropriate.

We have electric gifts for each and every one—from a heater for father's shaving-water, to an electric washer.
